

# BRUCARGO SECURED GATEWAY®

# **BRUCARGO SECURED GATEWAY**®

**The Brussels Airport Company,  
the logistics sector  
and the Flanders Institute for Logistics  
jointly defined a clear strategy  
to position Brucargo as Europe's  
most efficient and secured cargo airport**

know.apply.grow.

# **BRUCARGO SECURED GATEWAY**®

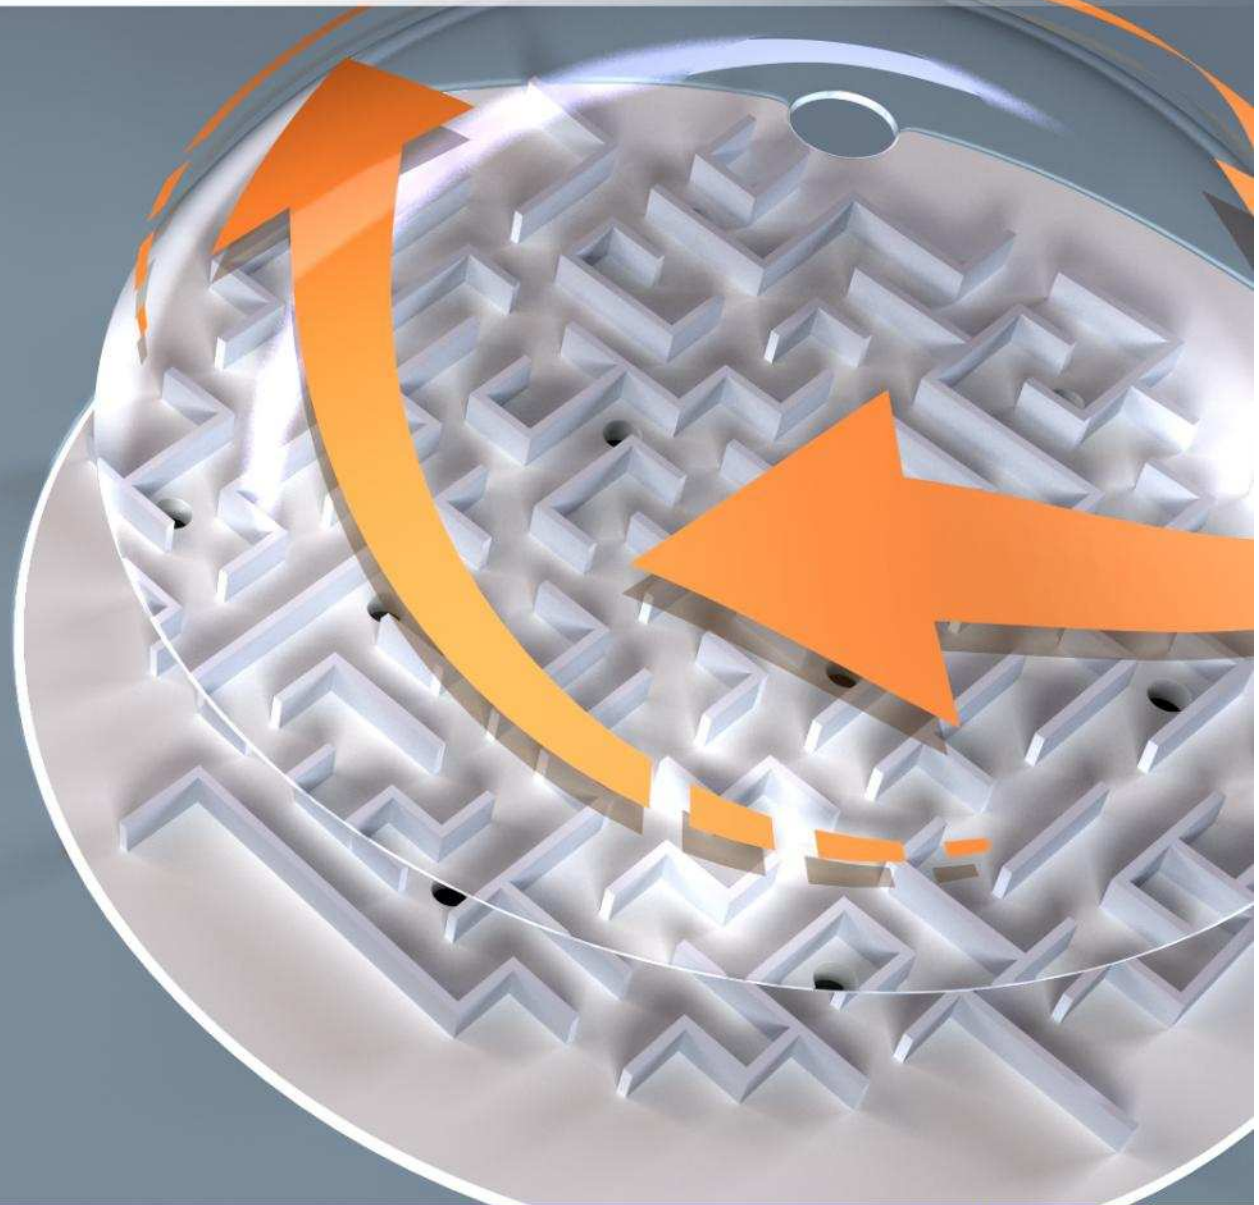

**Brucargo will focus on securing and optimizing both cargo zone and air cargo supply chains**

**The basic concept targets 3 building blocks:**

- 1. optimize processes by focussing on simplification**
- 2. create a safe environment by stimulating collaboration with authorities thus offering a basis for certification**
- 3. increase competitiveness by validating Brucargo's identity.**

# BRUCARGO SECURED GATEWAY®

## STRATEGIC PARTNERS

know.apply.grow.

**Position the zone as a safe & efficient cargo zone  
in order to strengthen market position**

**based on a holistic approach**

**revealing 4 levels that**

**require a more**

**professional**

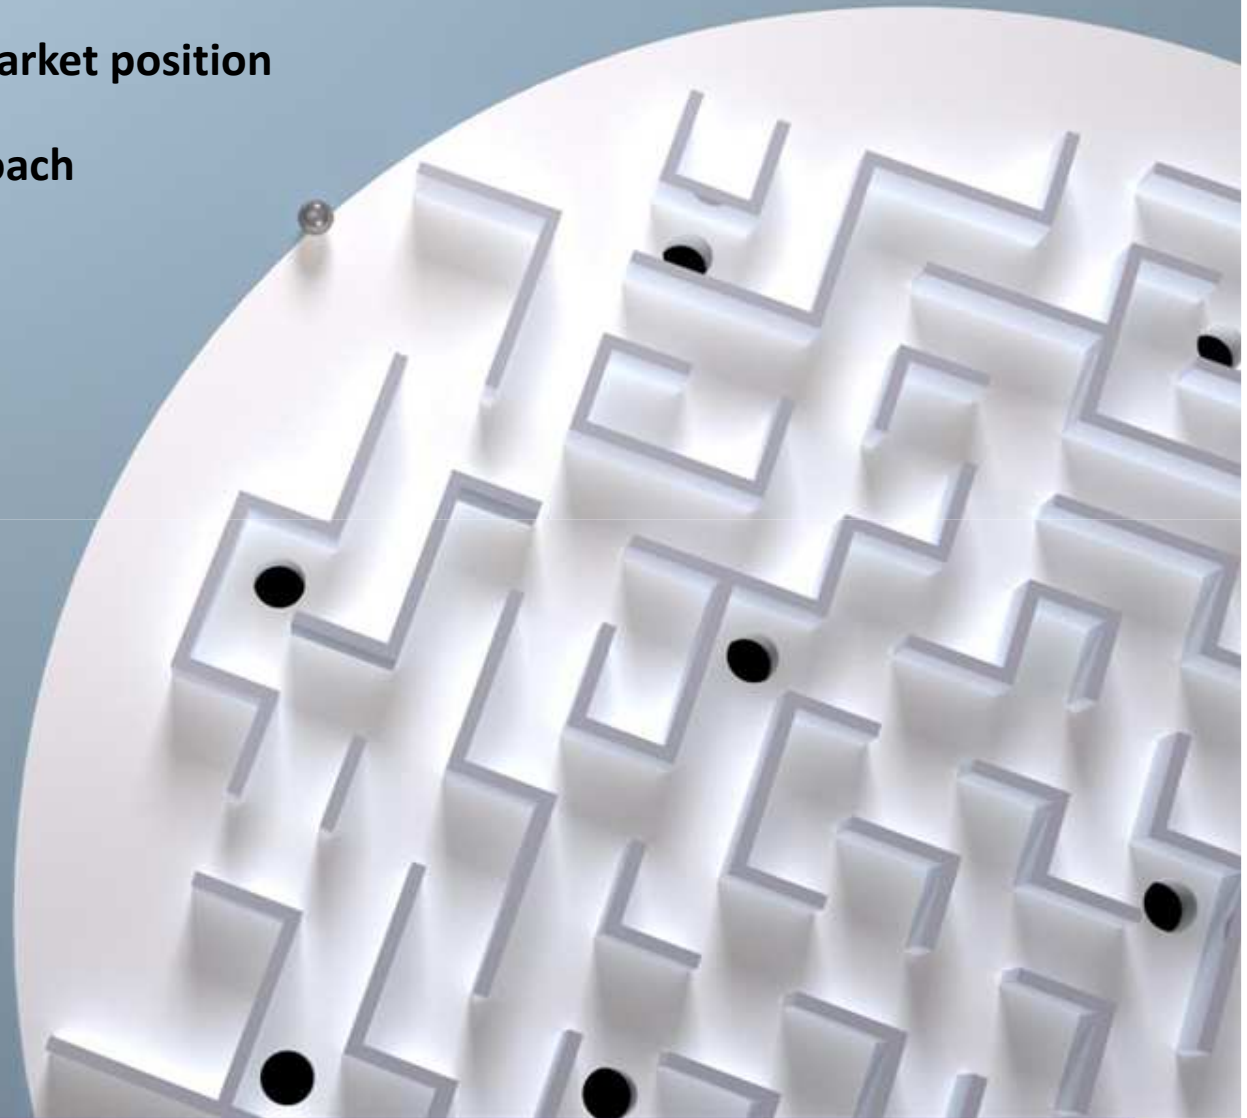

**approach:**

**1. COMPANY LEVEL**

**2. CARGO ZONE  
LEVEL**

**3. DYNAMICS**

**4. MARKETING**

# **1. COMPANY LEVEL**

**FOCUS ON**

**efficient & secure  
processes**

**Human Resources**

**technology  
enhanced  
secure cargo**

know.apply.grow.

## **FOCUS ON**

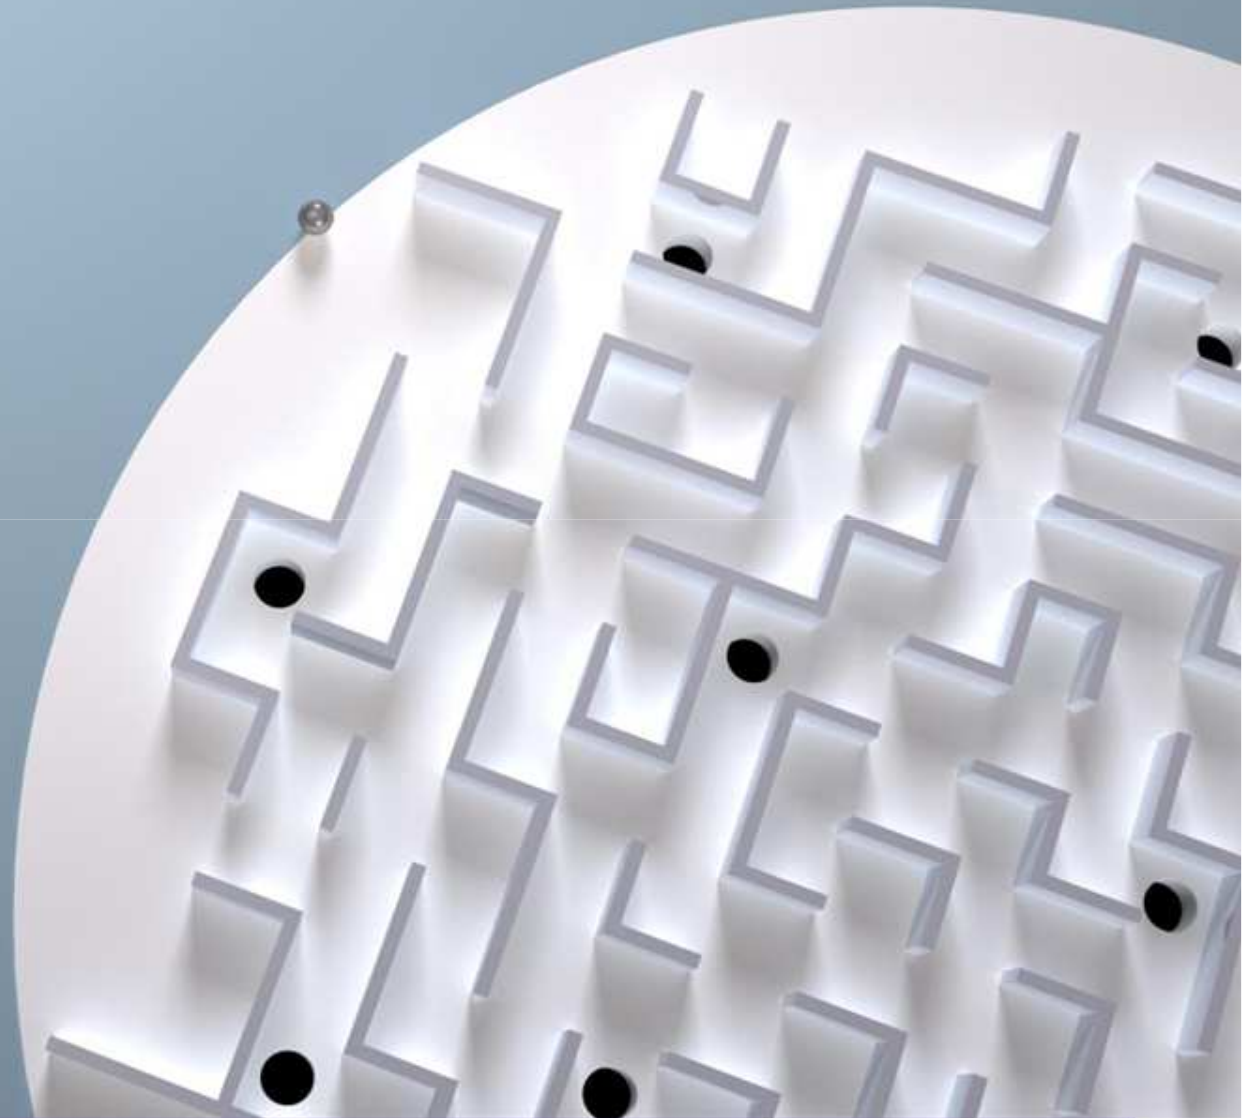

**security set-up**

**role & value-added of  
various associations**

## **ASPIRE ECONOMIES OF SCALE**

**technology enhanced  
secure cargo**

**Human Resources**

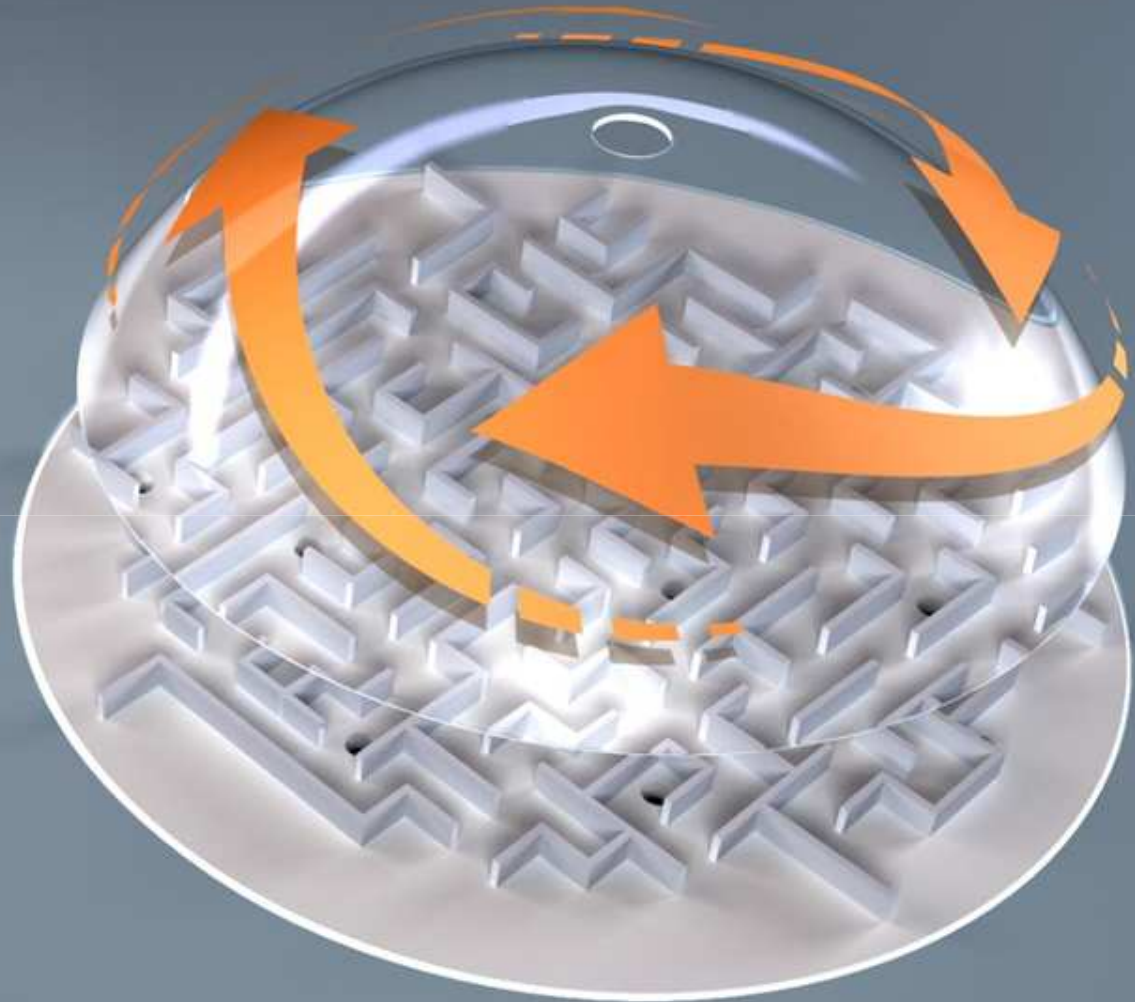

**DURABLE DYNAMICS  
TO BE ACHIEVED IN  
FOUR STEPS**

**DEFINITION LEVEL:**  
objectives  
standards  
certification

**CONTROL LEVEL:**  
Self Assessment

**REWARD LEVEL:**  
faster procedures

**REINFORCEMENT LEVEL:**  
increased service

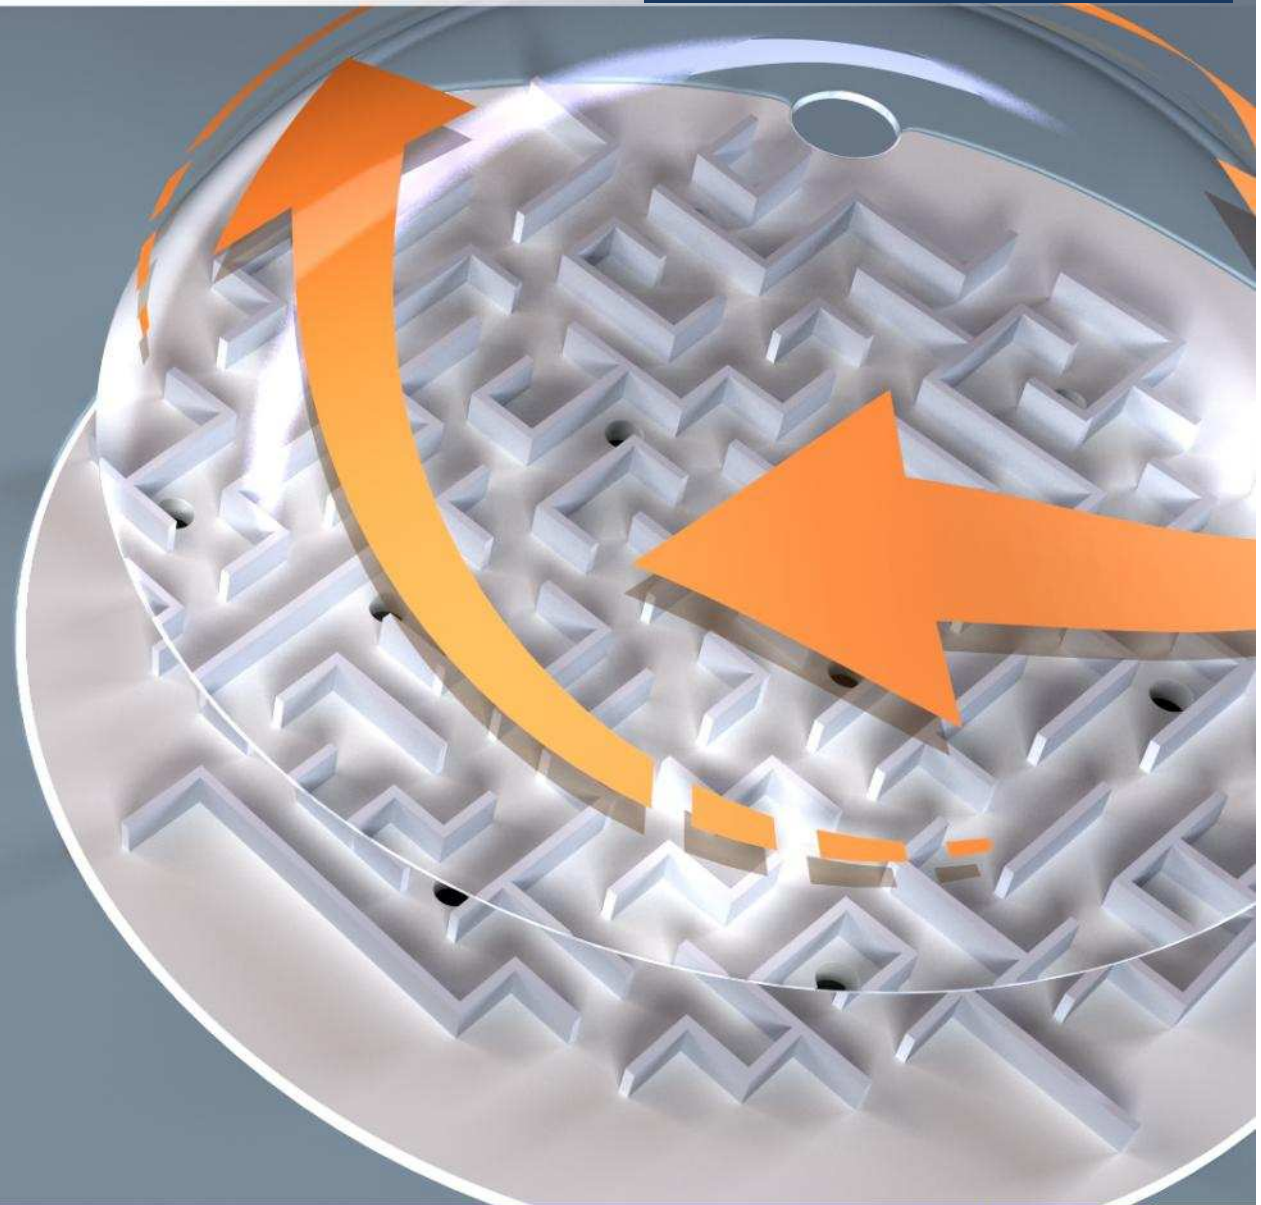

FIRST 3 LEVELS  
FOCUS ON  
OPTIMIZING  
CENTRAL OBJECTIVE

HENCE THE NEED FOR

marketing  
the results

someone steering  
these efforts

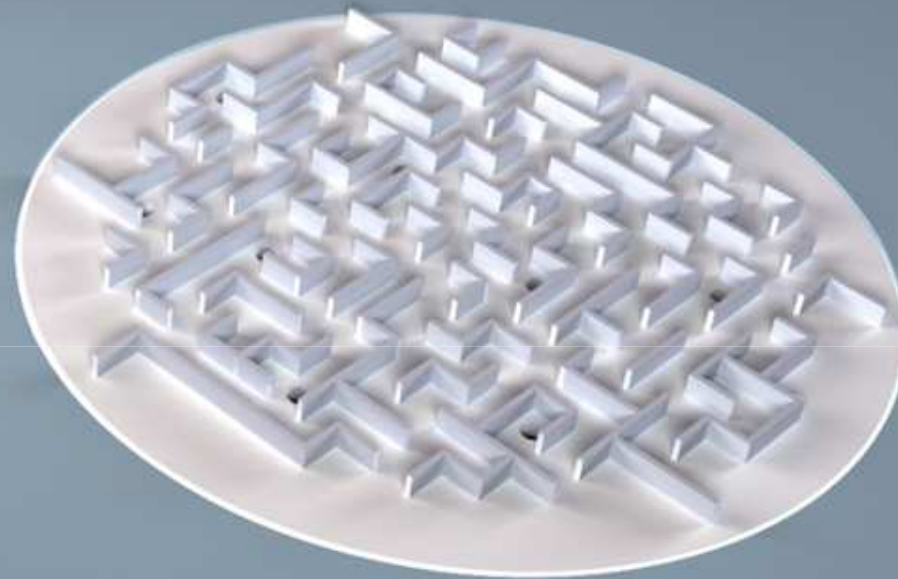

**RESEARCH FOCUSED ON  
3 TANGIBLE PROPOSALS**

**phased security**

**process optimization**

**simplified  
customs procedures**

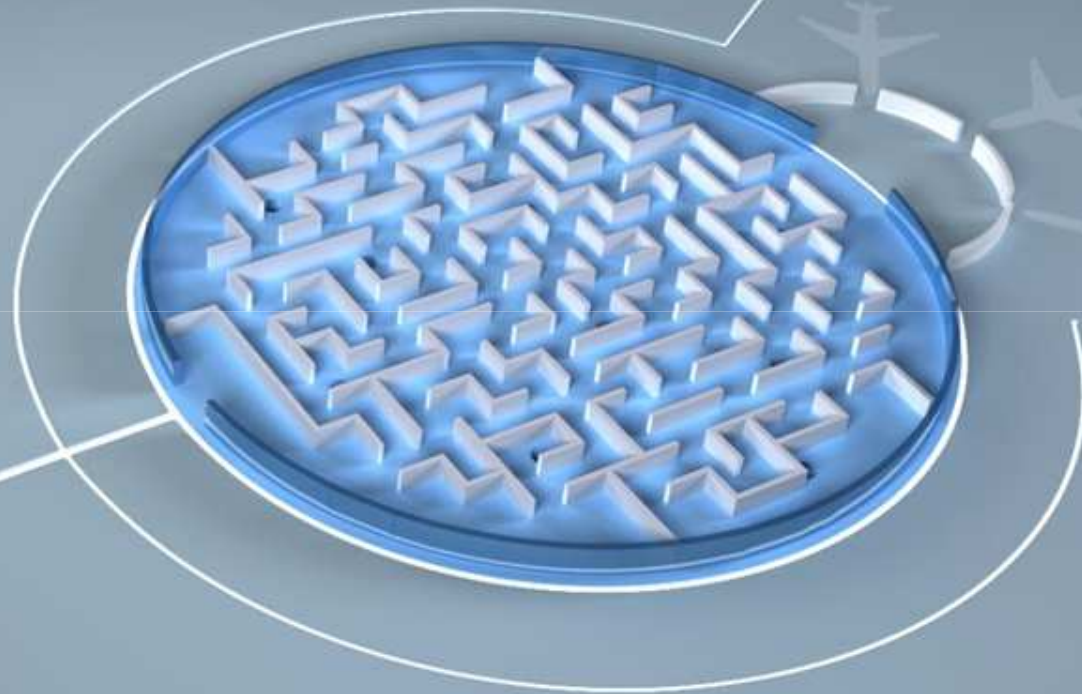

**TRANSCENDING  
OPPOSING VIEWS  
THROUGH  
A PHASED APPROACH**

**Park Management:  
perception**

**Fencing:  
access management**

**Zone Supervision:  
consortium surveillance**

**Access Control:  
advance registration**

**FOCUS ON**

**standard  
information flow  
preceeding  
the physical flow**

**planning**

**effective  
&  
efficient security**

## **HOW**

**digitalized  
information**

**verification in  
back-office systems**

**dynamic slot allocation**

**ALLOWS FOR**

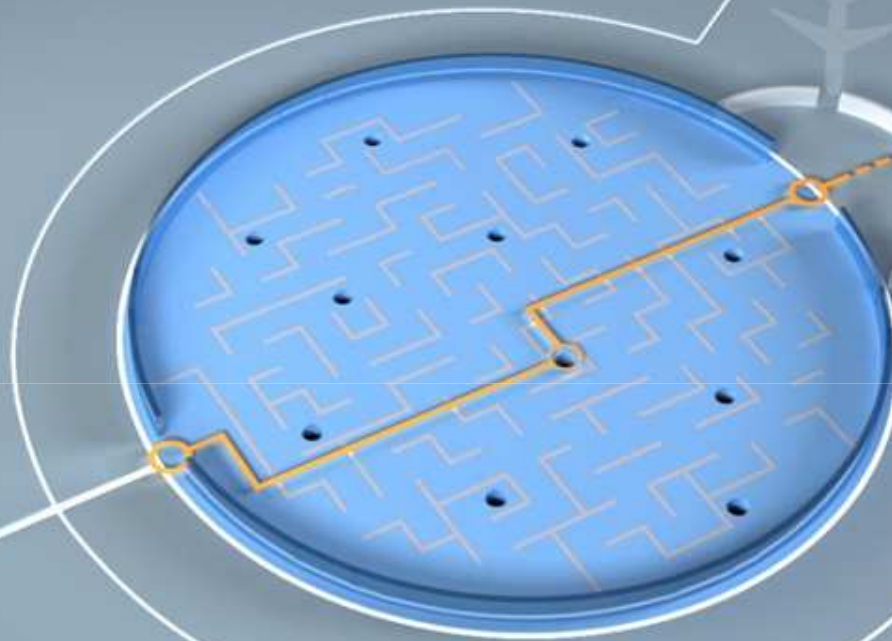

ready for carriage

immediate  
'transfer of  
ownership'

data management

process controle

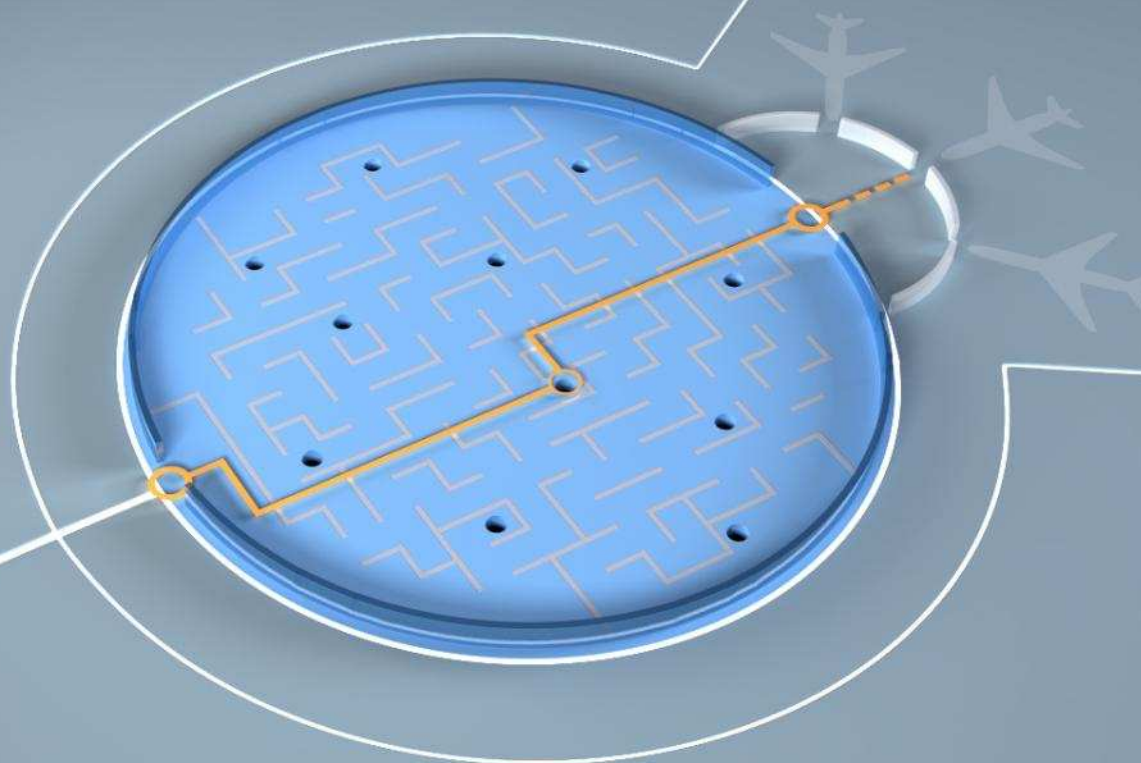

efficient  
resource management

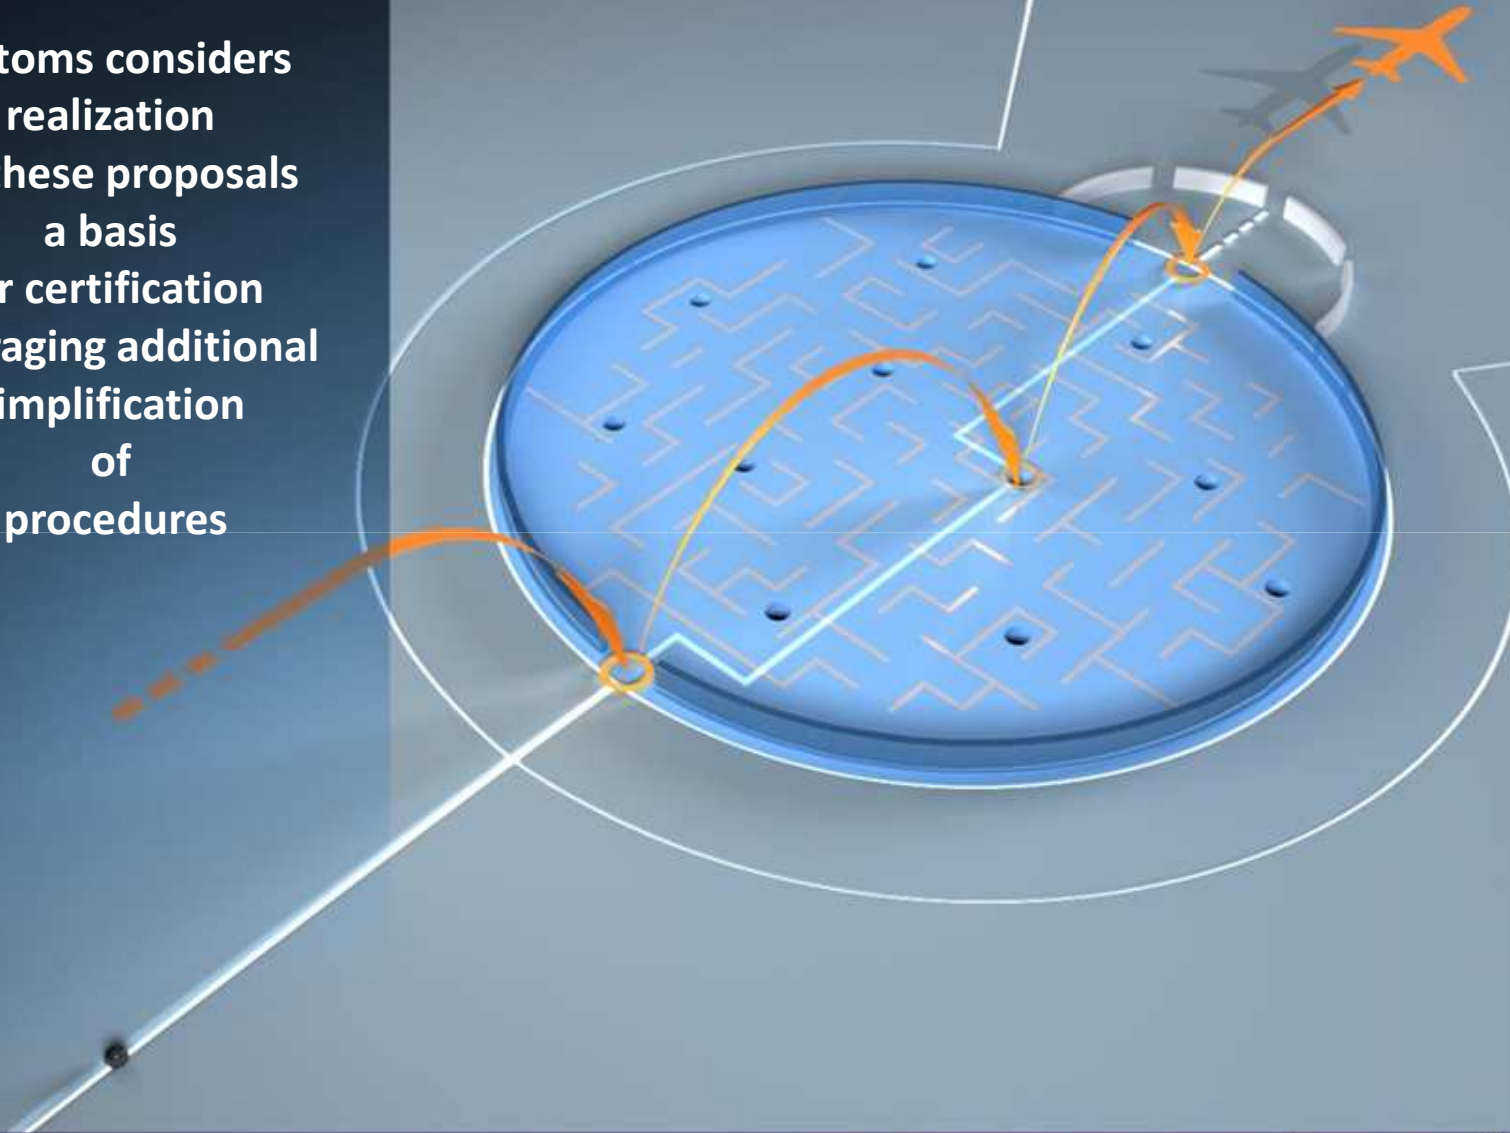

## **CONTRIBUTES TO**

**compliance with legal  
framework  
(EG 185/2010)**

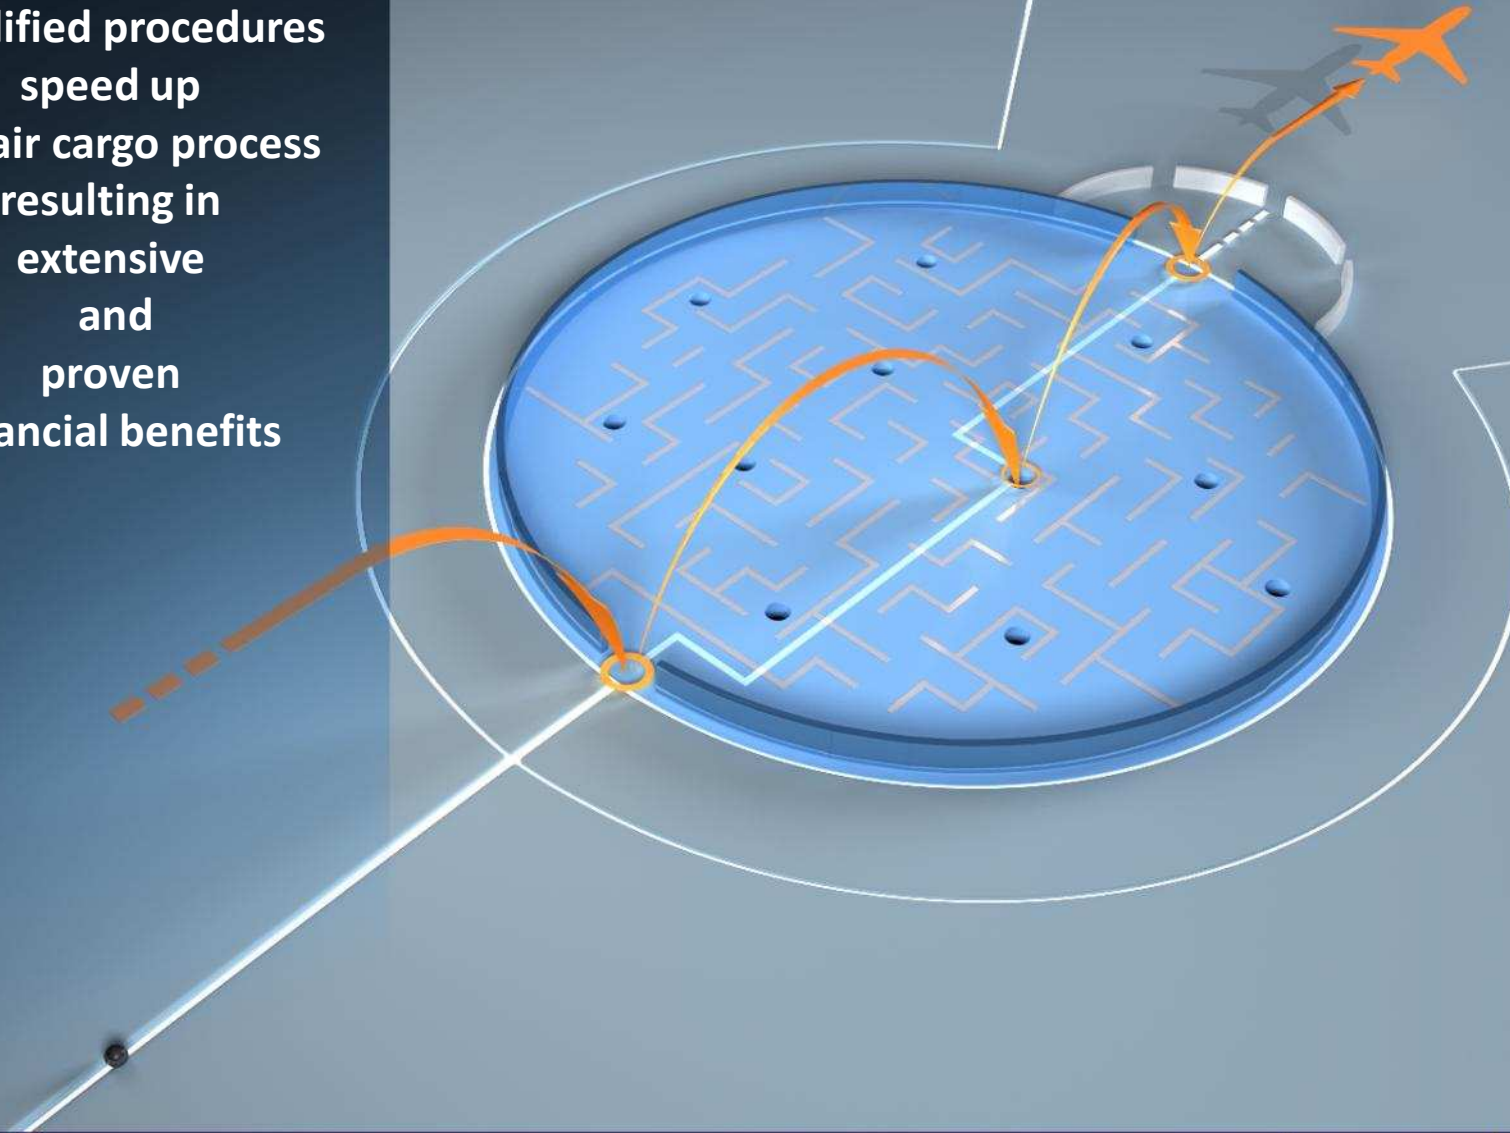

**by linking  
persons;  
goods & information**

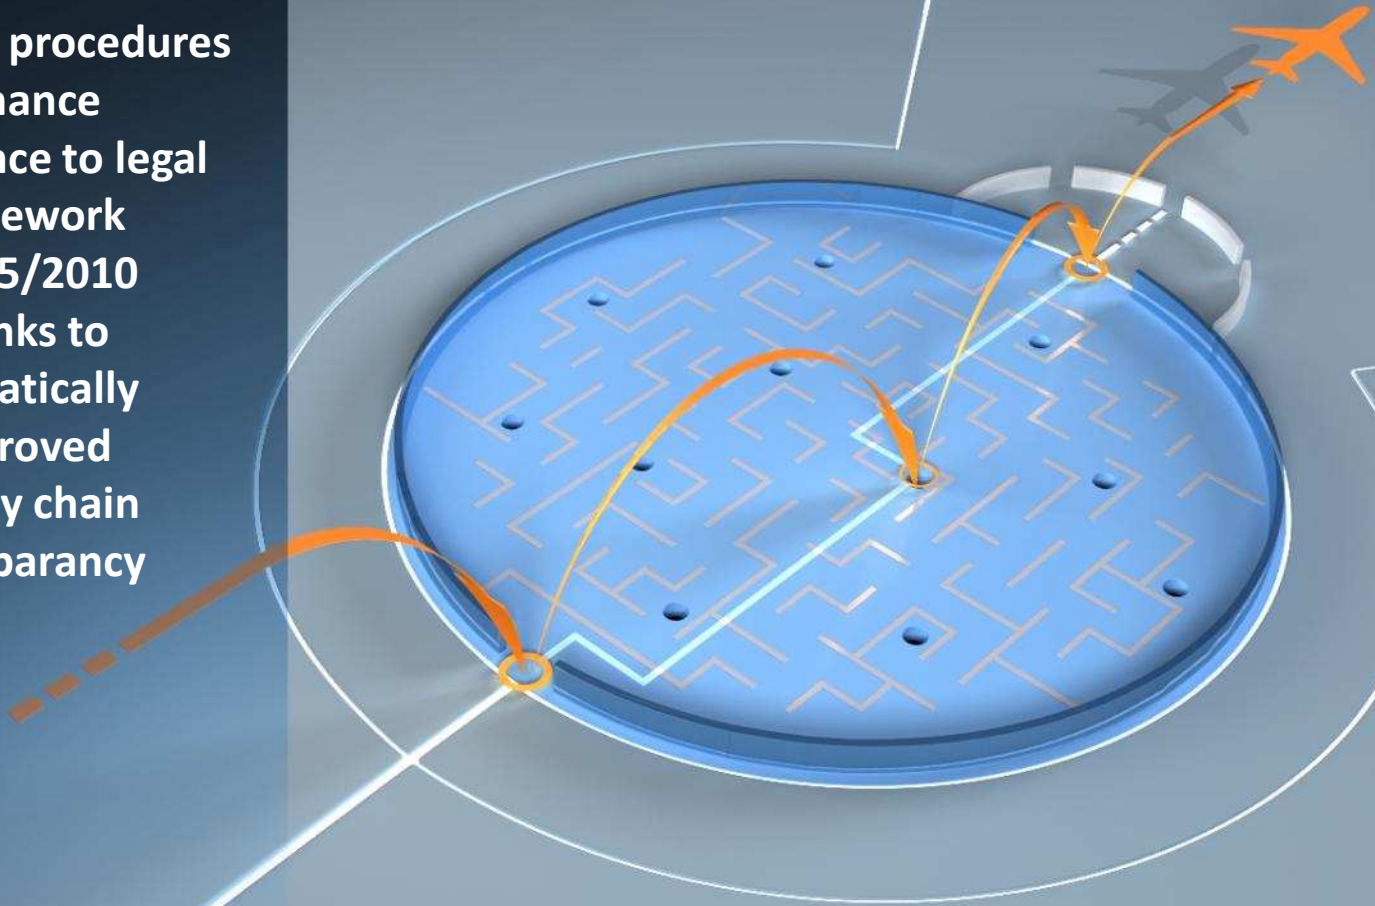

customs considers realization of these proposals a basis for certification leveraging additional simplification of procedures

simplified procedures  
speed up  
the air cargo process  
resulting in  
extensive  
and  
proven  
financial benefits

simplified procedures  
enhance  
compliance to legal  
framework  
EG185/2010  
thanks to  
dramatically  
improved  
supply chain  
transparency

**WILL**

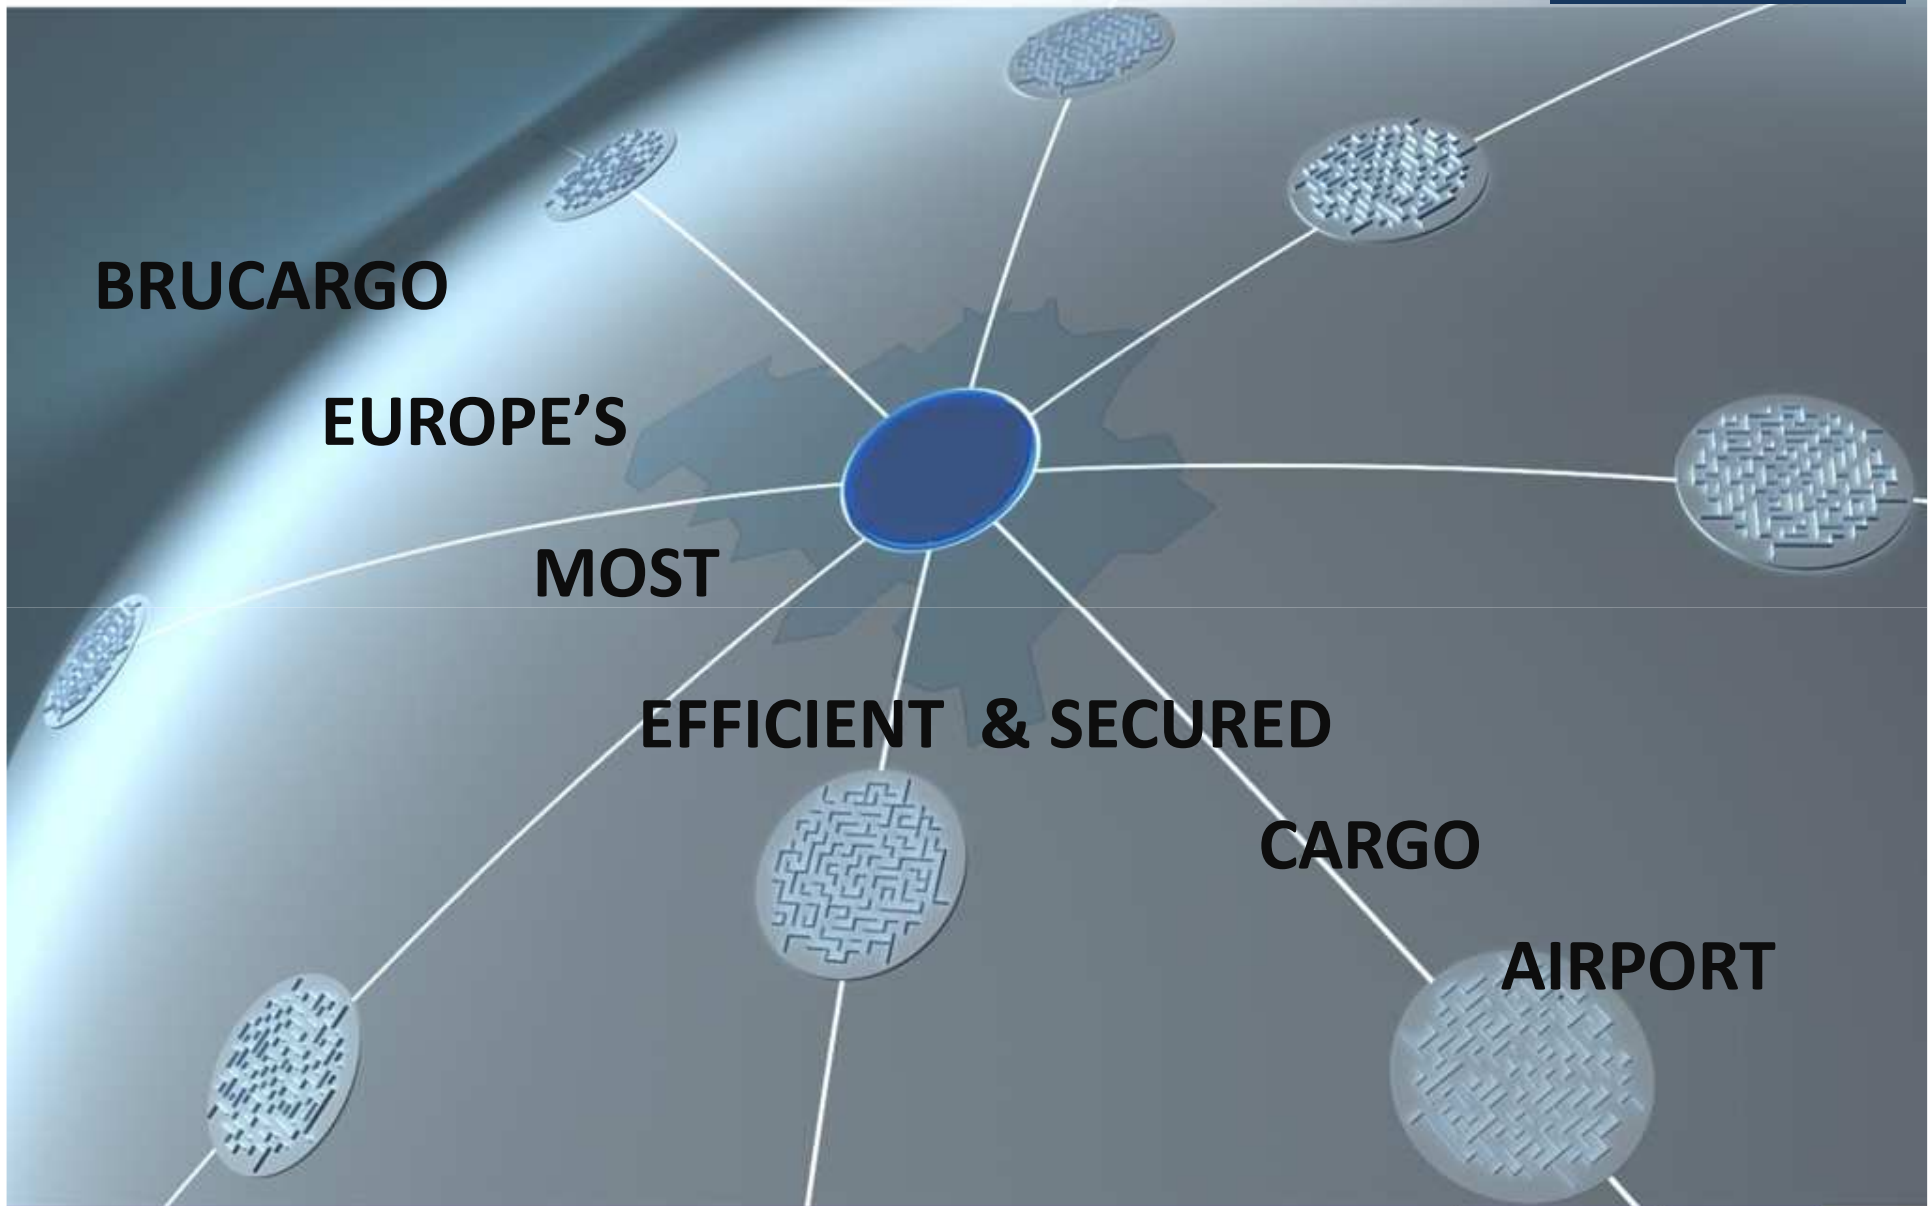

**be the driving force  
behind the  
realization of the tangible  
proposals**

**formulate  
new project ideas**

**accountable towards its  
members**

**stimulate  
communication between  
industry & authorities**
